## About Me

---

Experienced UX Designer and Full-Stack Developer with a strong emphasis on user-centric design and cross-functional collaboration. Adept at balancing business priorities and engineering requirements while maintaining a relentless focus on delivering intuitive and scalable UI/UX solutions in diverse sectors like healthcare, e-commerce, and travel & tourism. Proven skills in wireframing, prototyping, usability testing, and fullstack development using Agile methods. An autonomous self-starter committed to elevating design thinking within teams, fostering open communication, and continuously learning to drive optimal project outcomes.

## Education

---

- B.S. of Information Technology (2011-2015) – Urmia University of Technology
- Build Wireframes and Low-Fidelity Prototypes (2023) – Google
- Designing User Interfaces and Experiences (UI/UX) (2023) – IBM
- Full Stack Developer (2023) – Meta
- Cloud Essentials (2023) – Amazon
- Certified Internet Webmaster (2010-2011) – CIW

## Experiences

---

- Dairy Manager (2022-Present) – Safeway Inc.
  - Promoted to Department Manager after 3 months of working.
  - First employment upon relocating to the U.S., while actively pursuing UX/UI opportunities.
